

Seth Murdoch Foster

March 14, 1943 - March 7, 2026

Seth Murdoch Foster, beloved Poppa Bear, Poppop, Zet, Jake, Paw Paw, Scooch Magooch was launched March 14, 1943 by Norman P. Foster and Elizabeth "Betty" Murdoch Foster, and was brought into harbor and dry docked for the final time March 7, 2026 at 82 years of age.

He will be lovingly remembered by Norman Roberts Foster, Desales Foster, Stephanie Anne Scott, Georgeana M. Byler, Marley Grace Scott, Sadie Mae Byler, Stetson R. Byler, as well as close friends around the world.

Seth was one of a kind. A man who lived life to the fullest and always tried to put a smile on people's faces. Whether it was about Little League, TKD, playing in a steel pan band, serving in the U.S. Navy, operating heavy equipment, his time in the Caribbean - specifically St. Croix and Nevis, running the Kum On In, fatherhood, or any of his other grand adventures, he always had a story (or ten) to tell and was just the most loveable grump. We're all better for having known him, so remember the good times and keep the stories going.

The family will receive guests at Chadwick & McKinney Funeral Home, 30 East Athens Ave, Ardmore, Pa 19003 from 10-12 on Sunday, March 22., where there will be no formal service. A private gathering will follow. In honor of Seth, please wear bright colors or patterns rather than black.

“ *I would have interacted with Seth a few years ago and the bond we shared was truly sincere. There was a mutual and professional respect for each other. I grew to accept Seth as an adopted father, although we never met in person. Thank you for the light you brought to my life and I will miss you dearly. Love always, Chanelle*

“ *SETH MY FRIEND & BOSS @ The Kum on Inn. He was brilliant. Without him the Kum on Inn would never had lasted & flourished as long as it did..He hired the bands managed the Financial needs &,undeniably great @ it.*

Would have NEVER had been as "THE PLACE TO BE"for dancing, the best MUSIC Bare NONE & A cheers type of gathering.Customers came from near & Far.

I one time had an accident & he lent me & old Mercedes till my car was repaired SO GENEROUS & GIVING.

In later yrs. I would stop to visit him & his brother Bobby he so loved on Gradyville Rd home. They took care of eachother with great Loyalty.He asked me on 1 visit,could I make The original Tee Shirt Of The Kum On Inn? he had a sample.

Of course I produced so he could give to friends,family & the orignal customers. The phone # on the shirts were before area codes.HE WAS A visionary way before his time.

I will miss our visits with Him n Bobby.A great jokester, terrific but was always so greatful that I stopped to see him.Lucky me.

Ending I will say he was 1 of a kind a character never sure what he would say.Hillarious He had a prolific MEMORY

.His love of his daughter's Stephanie n Gorgeiana was SO EVIDENT.

He spoke of them always & his grands.He was an ICONE IN Deleware & Chester County.
