“ It's taking this long to share a memory I'm still completely devastated trying to find an attorney that actually understands and look at his clients as being family members that wants to get them the best they deserve doesn't exist anymore. Rest in paradise Slade gone and you will never be forgotten 💔😞

“ Wombats/Velez soccer days . Slade always had a big handshake or a hug for you. His energy on the sidelines was as intense as it was infectious. He took great pride in Brandon's soccer playing. A beautiful family. Caroline, Brandon, Devin and Christina our hearts are broken for you. The Arch Family.

“ My deepest condolences to the McLaughlin family. Slade helped me through one of the darkest times of my life. He believed in me and had faith when I had lost all faith and hope. He helped me to see that there was a light at the end of the tunnel, that I had to keep pushing , not to give up and one day that light would shine and he was right! There were times when I saw nothing but darkness and felt nothing but helplessness, emptiness and sorrow. I felt there was only one way out of it, but Slade made me see things in a different light. Slade helped me understand that certain things weren't my fault, he encouraged me, he put me in touch with a therapist and would call to see how I was doing. Slade doing that for me made all the difference you see, he wasn't a family member, or a friend helping me because they loved me, he was an outsider looking into my world and believing in me, which gave me the courage and hope to move on. I know there are ways he touched many peoples lives and made it better. This is just my story and how he touched and made a difference in my life. I will always be grateful and have nothing but the upmost respect for Slade. My only wish is that Slade could of seen a little spark, a glimmer of light that is at the end of that so very dark tunnel.

God Bless,

Slade was a very generous person. He sent myself and my sister to Le Bec-Fin and had them deliver a bouquet of beautiful roses at the end of our meal. His generosity will never be forgotten. My thoughts and prayers go out to his family.
