Tribute Wall

“ Please accept my sincere and heartfelt condolences. Right out of college, I worked for the House Majority Leader, later the Speaker, K. Leroy Irvis, while Steve was Appropriations Chair and learned so much from him . . . later and for a few years, I founded my own lobbying firm and again learned a lot from Steve, who was generous with support and advice with me - an African American woman in a male dominated field, at the time. I appreciated it and will remember his impact on my career. May he rest well.
