“ We are so very sorry for your loss. Tom impressed us as a very calm and kind man who understood that the most important things in life are our very simple and mundane experiences with family. Because of Tom's wise advice over the last 30 years or so, we were able to retire sooner than expected allowing us to enjoy our young grandchildren. We will miss him.

“ I will always consider myself so lucky to have met Tom 13 years ago. His quiet demeanor ,kind heart and impish, but warm smile and intense love for his family made him even more special. I will miss him everyday but will celebrate all that he brought to our lives. Thinking of you all at this sad time
