“ *Marti, Dave, and Steve, So sorry for the loss of your dear sweet Mother. Aunt Jinnie was such a sweetheart, always smiling and happy. She and my Mother were great friends throughout the years. She was right there before my Mother's passing, when Mom was so sick. She always had time for someone else. She was my favorite Aunt along with Aunt Jane, She was so elegant and loved by everyone in our family. Tom and I enjoyed remembering her on her birthday. She would always called to say THANK YOU, for remembering my Birthday. God Blessed you all with a wonderful Mother and our family with a Special Aunt. God Bless you Aunt Jinnie. Rest in Peace LOVE. With Sympathy and Love, Peggy and Tommy Maloney*

“ *Marti, Dave and Steve,*
My husband and I run a food pantry in our little rural town. We serve an average of 100 families weekly in our little Methodist church. The pantry is now in it's 8th year. We have made a donation to the pantry in honor of your mother. We post a memory/honor board in the pantry and her name will be added to that so we can always remember her caring for those suffering and in need. Bunny

“ Aunt Jinnie was always someone I admired and considered a role model. Her nursing education impressed me at a young age. So much so that I attended college in my 40's, wanting to reach my dream of teaching, believing it's never too late. I also fell in love with her "white" hair. She was a stunner. One day I hope to attain that beautiful shade myself - probably sooner than later. When Aunt Jinnie came to visit her mom, my Grammy, at my mom and dad's house on Egypt Rd., she always took the time to say hello to each person there, whoever that might be, and she always made me feel special, even as a young child. It is especially poignant to me that she is the last of the Beswick siblings, and as she is laid to rest, I celebrate her life for all that she stood for and achieved. Rest in peace dear aunt. Love, Bunny Beswick Slough
