

Walter Allen Rolph

January 23, 1944 - March 13, 2023

Walter Allen Rolph of Malvern, PA , died peacefully on Monday March 13th., 2023 at the age of 79.

Affectionately known as “Sir Walter” Walt Rolph lived the lives of two men.

Known to be relentless on perfecting his golf swing we now know that it will be perfected on the greatest course - heaven! Walt’s regrets were few and his life was never short on excitement. He loved his golf, football, cocktails and his travel excursions with his family and friends. He especially loved his golf trips to Europe. Walt was the consummate volunteer, always giving his time and talents to lend a hand where needed. Walt Rolph had 40 years’ experience in broadcasting and direct marketing. He served in sales management at CBS TV Stations and as cofounder of RPR Productions, nationally syndicated TV sponsored programming for NFL Films, The NBA and The PGA Tour. Walt assisted American Telecast with telecommunications and media development for products including the Total Gym. He was also a managing partner for Liberty Broadcasting, which owned and operated nineteen radio stations. Walt continued to serve as a founding Director of NewDay USA.

He asks us to remember this last message; keep telling entertaining stories. It is our stories that connect us and unite us. It’s through our stories, laughter and smiles that can help make this world a better place.

Walt's favorite motto... "Anything worth doing is worth overdoing"

Walt was predeceased by his former wife, Dorothy (nee Gandy); beloved father of Kimberly Rolph (Bill Clarke) and the late Chris Rolph; also survived by his grandchildren, Joseph and Rauden Clarke.

His Memorial Service will be held on Tues. March 21st at 10:30 AM in Washington Memorial Chapel, 2000 Valley Forge Park Rd, King of Prussia, PA 19406.

In lieu of flowers, contributions may be made in his memory to Broadcasters Foundation of America

“ As a close Fraternity brother from college, I have known Walter for 63 years seeing him at least annually during that time after our graduation. He is beyond a doubt a one in a million person. His personality in lighting up a room of people upon entry was beyond all that I have known. His amazing adventures, outstanding achievements, successes and stories exceed most others in this world. What a guy!

We will miss him greatly and wish his daughter Kim the best in coping with her loss.
