“ I went to Marymount High School with Wendy and was last in touch with her in late 2012.

*I am shocked with the news of Wendy's recent passing. My deepest sympathy to JP and Family. I knew JP from when I worked at The Montreal Children's Hospital.*

*Wendy was vivacious , always a beautiful smile and so much fun to be around.*

*She was taken far too young.*

*I'm so sorry for your loss.*

“ *It's important to become a wave in the ocean.  
Wendy took her destiny in her own hands and made Raffles a wonderful Bridge club - it was the first ACBL club where I had an opportunity to play.  
To say that we will miss her is quite an understatement.  
May the thought that others care help ease the sorry and give the family courage, hope and strength to meet each new tomorrow.*
