“ Bill was my best friend in the Army. We served together with the 7th Surgical Hospital at Fort Jackson, SC and in Vietnam. He was responsible for my leaving the Army to attend College. And that changed the course of my life. He believed that I could succeed in College and I did. He was probably the most important mentor in my life. He was kind and gentle, not really a soldier. I enjoyed the Army and was successful in the Army. It was his advice that I followed. I earned a second degree. I had a wonderful 30 year career. Married a beautiful woman. And had two wonderful children. I am Autistic with Asperger's and several learning handicaps. Bill gave me the confidence to believe in myself. And I will always remember him.

“ Bill was my first counselor supervisor at SCIG. I started in January of 1972. Bill was a big help in getting me started in Corrections. I spent the next 33 years with the DOC. Bill was an easy going, nice man. I hope he enjoyed his all too short time in retirement. As I remember he loved to play tennis. Hope he was able to spend lots of time at what he liked. I am sorry to hear of his passing. Thomas Stachelek
