“ Bobby, know that you and your family are in our thoughts and prayers. I remember you and Timmy walking down the street to the middle of the street (in front of our house). We would play tag or hide and seek till 10:00. In the winter, when it would snow, it was our turn to walk up the street (in front of your house) and sled down the hill. Good street. Great times. “ Tim (and the Groves Family) had been a family friend for over 52 years and I never knew that his first name was William. You learn something new every day. One thing that we all did know was that we were so lucky to live and grow up on Valley View Rd. All of the happy memories and friendships that were made and continued into our adult years are what get us through these difficult times. Our families would even migrate from Valley View Rd to Maple Ave. in Wildwood, NJ so we could vacation together. We were blessed. It will always be a blessing to be a part of the Groves Family and we will miss Tim very much. To Bob, Carol, Zach and Kylie we are sorry for your loss and hope that all of the love and support from family and friends helps you through this time of sadness. With Love, Colleen, Kevin, Raeleen and Bridget Derham
