“ Our memories of "Uncle Bill" are filled with how he lived life and most of all of how he treated others. His laugh, his humor and love for others always raised our spirits, made us laugh and helped us to realize what is important in life, family. His energy wore us out as who could keep up with him, but at the same time, his energy re-invigorated all with whom he came in contact. He modeled so many things for us in how he cared for family, both immediate and extended, and is one of the many things about Uncle Bill that we have and will cherish throughout our lives. Hopefully, we will pass this along to our children, Emma and Tessa, so that Uncle Bill's spirit and soul will live on through our family. Our thoughts and prayers are with you this day, and as time passes, these memories will be how we remember and love Uncle Bill.###imported-begin###Emma Allen, Tessa Allen, Diane Orado and Derek Allen###imported-end###
