Tribute Wall

“ My deepest sympathies go out to my extended family. I know that this loss is great, but we have joy in sorrow. To know that this is not a "Good-Bye" but a "Good Night" until we meet again in heaven.

I can recall the times spent with Uncle Bill and Aunt Bernie... all the wonderful meals, singing around the piano, playing ping pong, or crawling into the storage space to play with all the toys. They were all fun, happy times spent at Uncle Bill's house. My prayers are with you all.##imported-begin##Jamie Burkhardt##imported-end##

“ I was your father's secretary when he was the Internal Auditor at Lukens Steel Company. I want to express my deepest sympathy in the loss of a gentlemen and a wonderful boss. We continued to work near each other when we moved to the ARC building and he became the Paymaster. As you can see I have great memories of him. May you also find comfort and peace in all your memories of him.##imported-begin##Mary Catherine Tandarich##imported-end##

“ Warm greetings to all of you,

*Sending warm sympathy in the loss of your dear Father,
Grandfather, and brother. May the Lord be honored and glorified in
the funeral service on Sat. DV. The assembly will also miss him but
how wonderful to know he is now with His Lord and Savior, that he
knew and served for so many years. I knew his sister, G. Baldwin,
for many years.*

*Warm love in the Lord,
